SPIRIT of '93

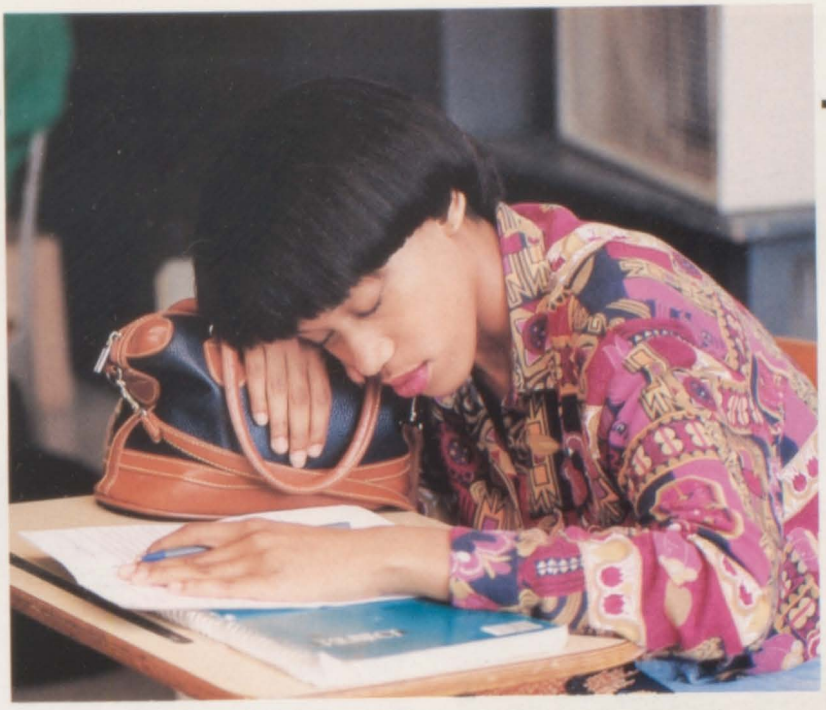

Southwest High School
Macon, Georgia
Volume XXIII

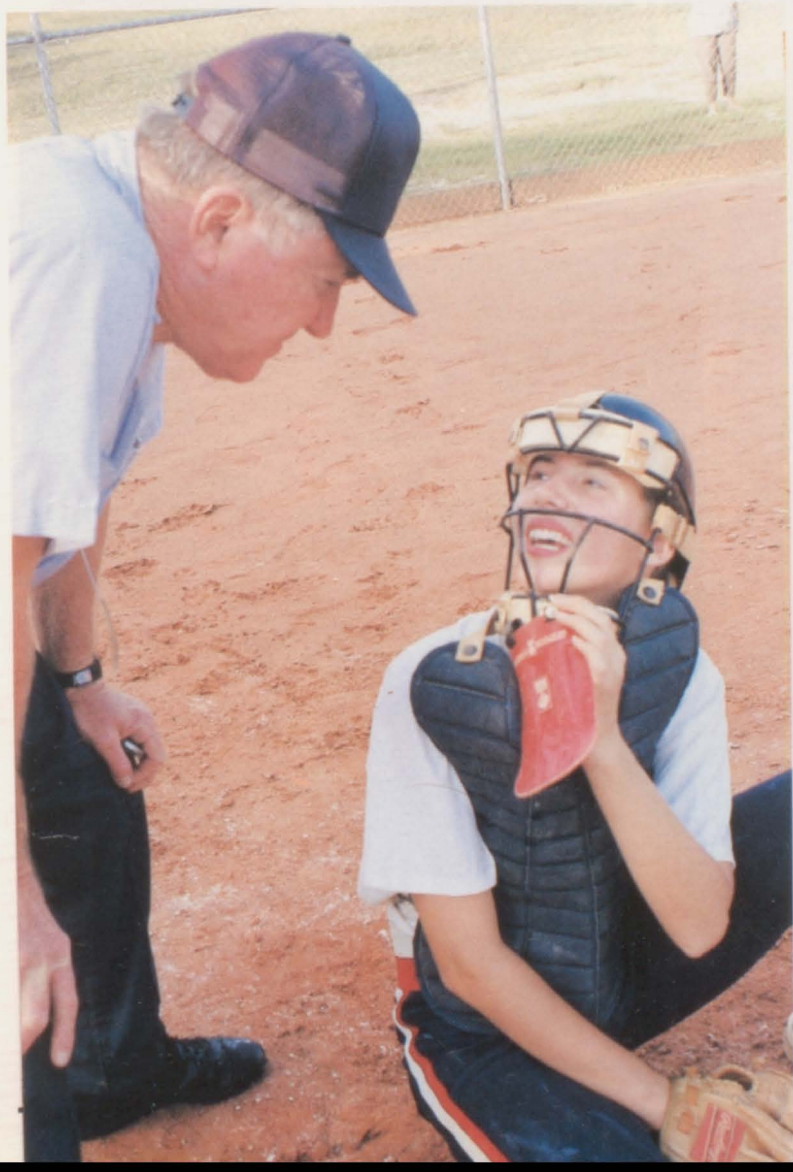

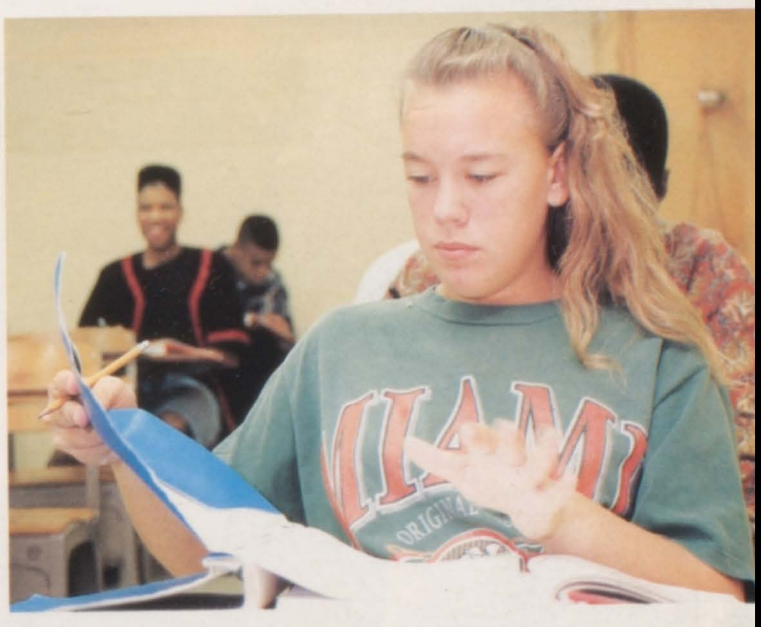

What is the first thing you do when you try to put a puzzle together, or attempt anything new and different? Take a good look at the pieces and read the directions! Sometimes you just have to find someone to help you get the job done. This is what the staff of Spirit of '93 decided Southwest High School was all about. From the time you enter the school as a Freshman until you leave as a graduating Senior, your education is one big puzzle.

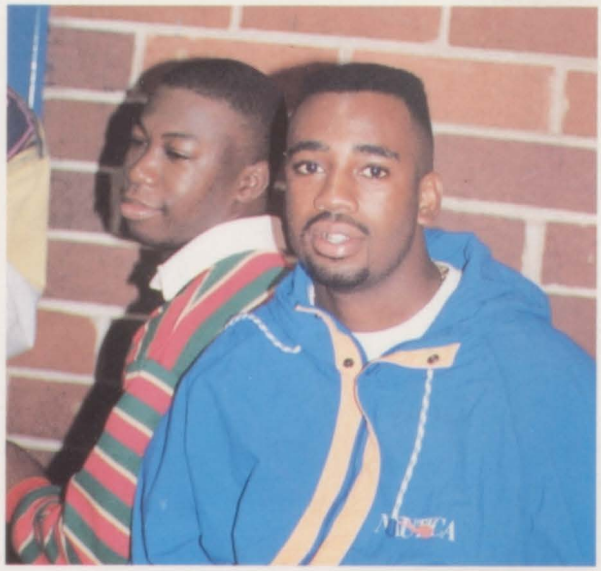

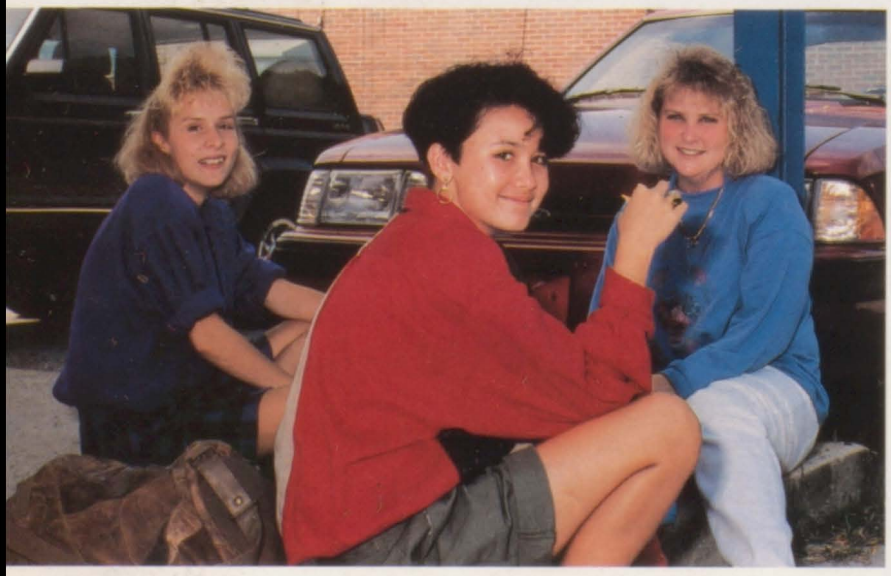

What exactly are the pieces of this puzzle we call Southwest? Some of them are obvious. We looked at the administrators, the faculty, the students. Those are the easy pieces. But what about all the other things and people who are around every day to help us with this puzzle? Many of them are "behind the scenes," such as the custodians and lunchroom workers, Campus Police and maintenance workers. They may not have as visible a role as teachers and students, but they are necessary parts of a puzzle all the same.

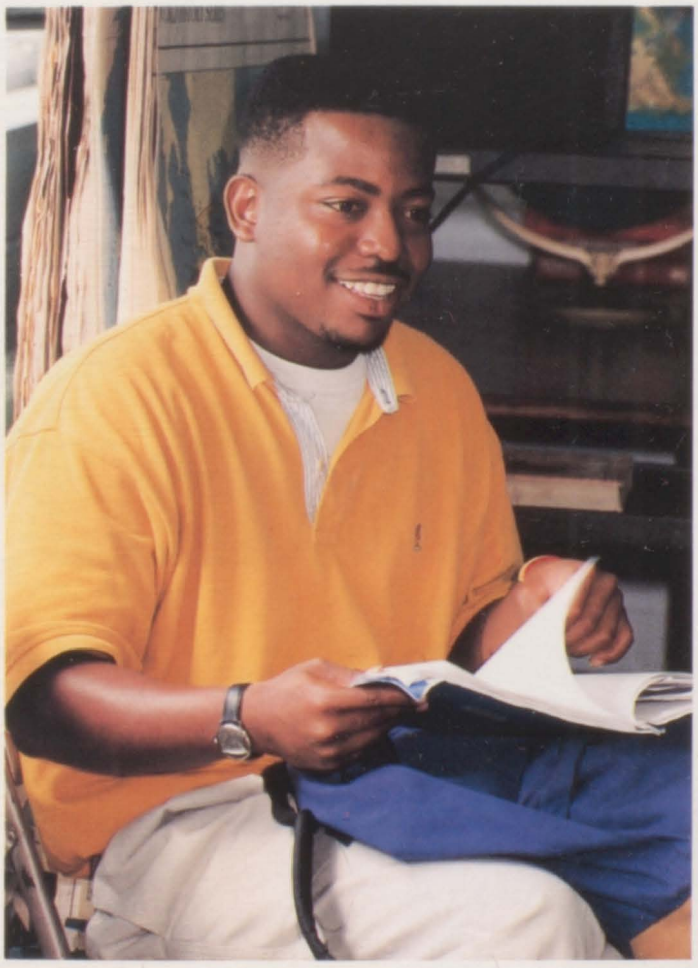

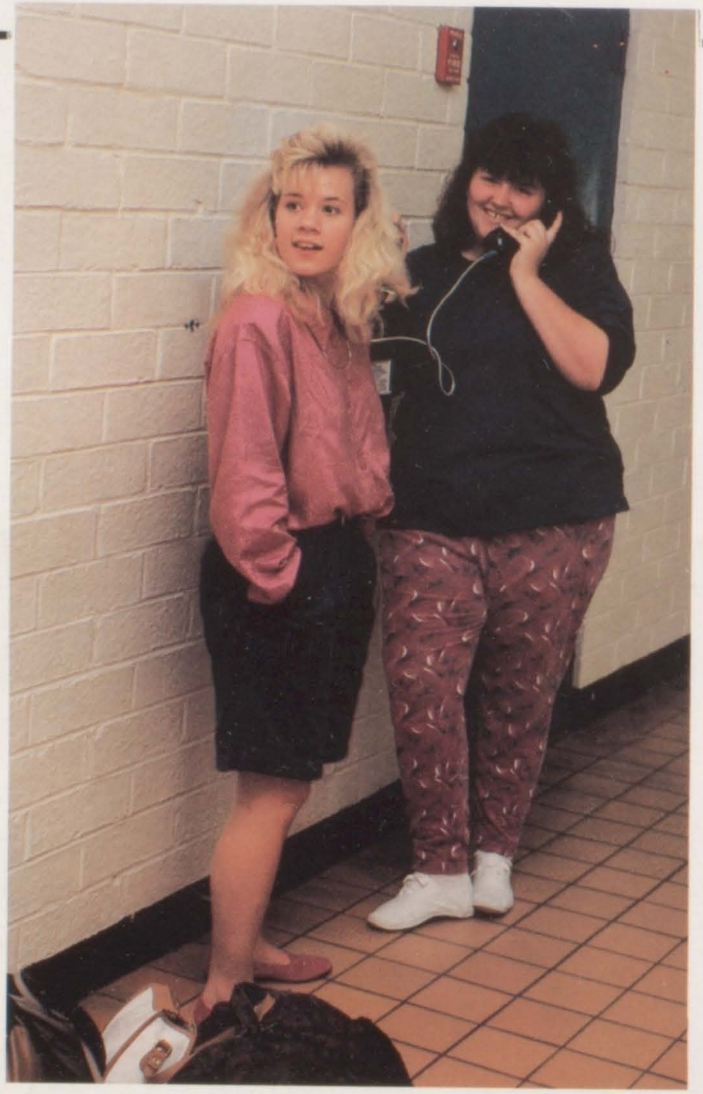

We also believe that emotions are part of our puzzle.The pride we feel as our band marches onto the field, or our athletes enter the fields of competion, or our Academic and Math teams win a meet, or our Mock Trial team places in statewide competion is a vital part of the feeling we call Southwest Spirit. There are those who say that Southwest just does not have the Spirit anymore. But as your Spirit of '93 Staff worked to get the pictures and stories for this yearbook, we discovered that the pride still exists, the Spirit is still there and we at Southwest are constantly PUTTING IT ALL TOGETHER !

STUDENT LIFE

Something Everyday!

At Southwest there's always something going on. Beginning in September with the ordering of Caps and Gowns for Seniors and signing up for Drug Education classes, students moved into the '92-'93 school year. Senior spirit became obvious with breakfasts and new jerseys! Other programs soon followed. Some students worked in a little studytime as the first grading period approached all too quickly.

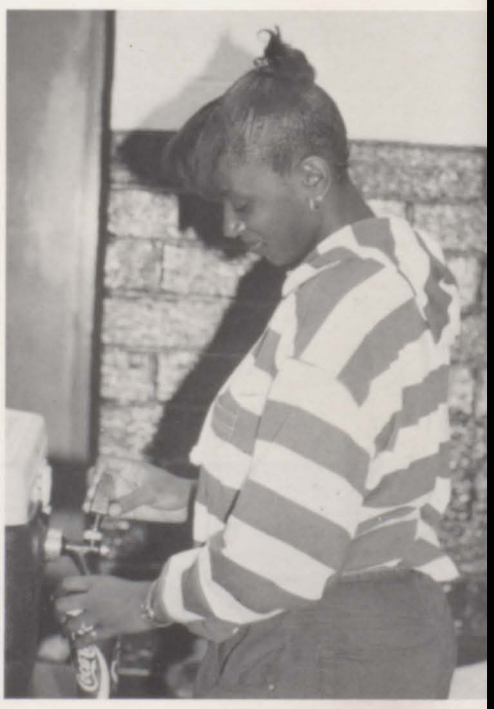

Clockwise: Mrs. Stokes takes an order from L. Reid; Dr. Tate discusses "Night"; L. Moore serving at the Senior Assembly; SENIORS!!; Mrs. Richardson & Coach Hill register students for Drug Awareness.

Night of Dreams

In spite of the rainy weather, on October 17, **Demestric Jones** was crowned Homecoming Queen with **Paige Pipkin** as the runner up and **Todd Walker** was named Mr. Southwest with **Brent Joyner** as the runner up. Our SW football team became victorous over Butler County with a score of 19-0.

MORP

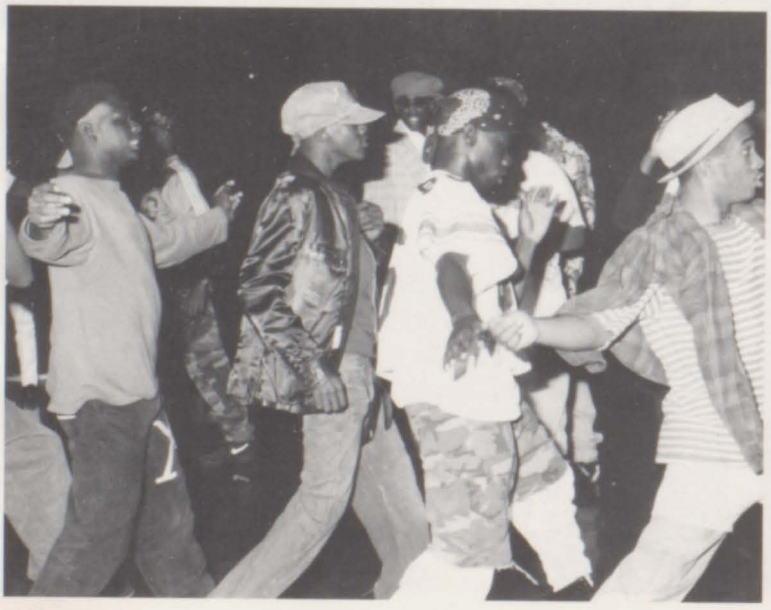

Get down! Turn around! If it's casual fun and dancing you enjoy, then the MORP is just for you. MORP, or PROM spelled backwards, is the students' opportunity to be sloppy, dress funky and have a good time. This is one time the students of Southwest don't have to worry about the dress code. This event is sponsored annually by Student Council which is headed by **Betty Stewart-Crossan** and has proved to be a lot of fun for everyone involved.

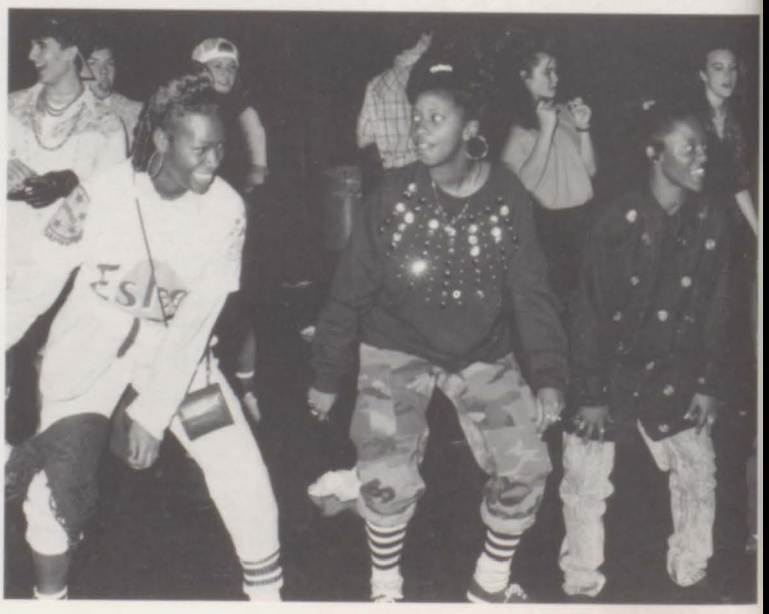

TOP:G. Wilder, J. Bass, R. Weeks, and K. Styons. **MIDDLE:**J. Latimore shows everyone how to get down. C. Jones, J. Jump, and A. Jackson shows you the REAL dress code. **BOTTOM:**Walk-This-Way!? Are you sure this is how this goes?

This Magic Moment

It was an evening of hearts, lace and beautiful girls as the Southwest Pep Club sponsored the annual Sweetheart Coronation. Every year a lucky sweetheart is chosen from each class and also one to be the overall Miss Southwest Sweetheart. This year the Miss Southwest Sweetheart was given to Miss **Simona Shannon**. **Paige Lindsey** was Freshman Sweetheart, **Keisha Lee** was chosen from the Sophomore class. **Tawanda Talton** won the Junior Sweetheart, and **Paige Pipkin** took the Senior Sweetheart honors. There was also an award given to the three young ladies who raised the most money for the evening. First place was awarded to **Keisha Lee** , second to **Tamika Pearson** and third place to **Stephanie Baldwin**. Congratulations to all of the Sweethearts!

TOP: The reigning Miss Sweethearts: Paige Lindsey, Keisha Lee, Tawanda Talton, Paige Pipkin, and Simona Shannon. **BOTTOM:**The Freshmen wait patiently for their turn. Miss 1993 Southwest Sweetheart — **Simona Shannon**.

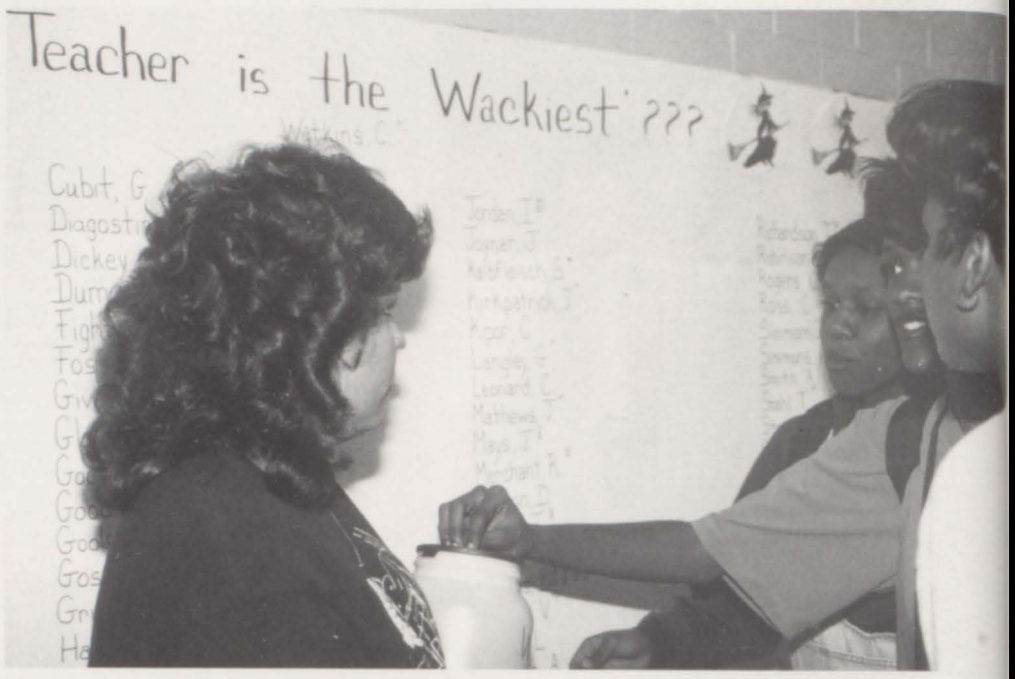

Ghosties and Goblins and WHAT?!

"Witch" teacher would be the Wacky Witch was the question as the Spirit of '93's fundraising event became a heated race between **Mrs. Gwen Bell** and **Ms. Bitsy Phillips**. Most of the faculty agreed to participate in the Wacky Witch contest, but in the early days it became obvious that the show down would be between two of the SW favorites.

The students watched the tote board each day during lunch as the money was increased. Finally, the announcement came. Ms. Bitsy Phillips was the Wacky Witch. On Friday she joined the Key Club's Goofy Goblins in a "haunting" of the campus. The Goblins were also involved in a fundraiser to benefit The Children's Hospital. Spirit of '93 appreciates the great effort and "Spirit" shown by all in this "fun raising" event.

CLOCKWISE: Ms. Stokes takes the votes. "Marilyn" Payne. Renee Woodall & Kristy Ciccimarro make '93. Fabulous Fifties. Goofy Goblins prepare to haunt. Convict Hawkins, Phantom & Conehead Hutchinson. Ms. Bitsy Phillips haunting Juan Lopez. The WITCH!!!

Mock Election

The candidates met at SW for a final showdown. **"Hal Clinton", "David Bush", and "Reece Perot"** made promises to an enthusiastic crowd. Adding to the rally were performances by the chorus and the cheerleaders who cheered for their favorite candidates. Clinton definitely had the volume of support as students proved that they were American "Patriots."

CLOCKWISE: One student has already made his choice; Governor Hal Clinton; The candidates and their security; Arrika Maynard's top hats; Reece Perot.

BRAVES MANIA!!

Southwest showed their support as they cheered the Braves to their 2nd Division Win and World Series.

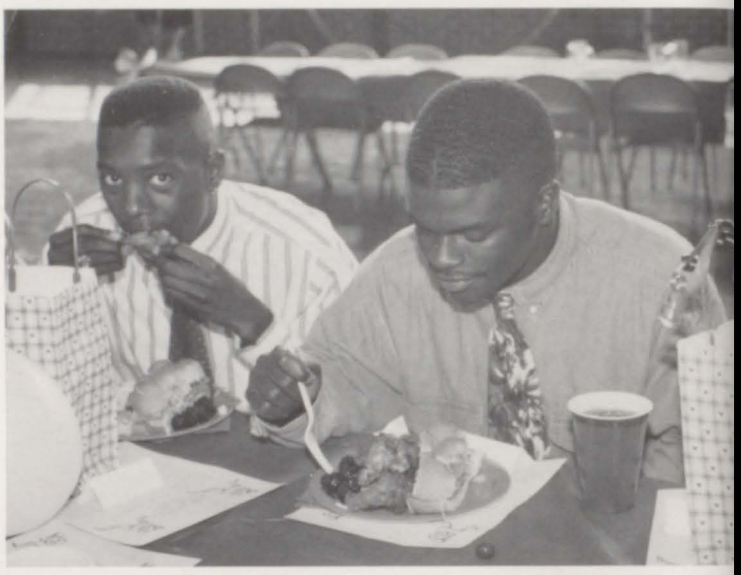

SENIOR TEAM MEMBERS HONORED

Platters full of fried chicken welcomed Senior members of the football and cheerleading squads as they were honored on October 15. Board of Education administrators **William Bell** and **Harry Trawick** joined **Dr. Watkins** and the coaches as the Seniors were recognized for their contributions to Southwest. Team captains **Todd Walker** and **Tim Hicks**, and **Andrea Anderson** expressed gratitude to their coaches.

TOP LEFT-RIGHT: Team Captains T.Hicks and T.Walker. K.Plummer, L.Gilbert, and A.Anderson are happy to be seniors. Proud coach Sheila Bell with her squad. **MIDDLE** D.Ford and M.Jacobs dig in. **T.Hicks** enjoys his lunch.Seniors check out their goodies. Is that enough chicken, Scott?! Deputy Superintendant **William Bell** gives a special message to the Seniors.

Patriots Never Say Die

It may have been a slow beginning, but true Patriots never give up. After losing their first two games, the Patriots prepared for battle against a tough Northeast team. The Raiders lost 14-0 in a fiery overtime. This win launched our team on a wave of victories, defeating such teams as Baldwin County, Butler, and Southeast. It goes without saying our red, white, and blue Patriots are not very well known for their ability to give up.

The Homecoming game against Butler sent a strong message to the region competitors. The Southwest Patriots ran over the Butler Bulldogs telling themselves, their fans, and most importantly, the other teams in our region that the Patriots were back and had the playoffs in mind.

Sadly, the playoffs were not to be this year. The Evans Knights defeated the Patriots 21-14 after the Patriots received points for only two of the five touchdowns scored. The team may have missed out on the playoffs, but they were still big winners at home and in the hearts of true Patriot fans. Thanks, Coach Hatcher and the Coaching Staff for a good season!

B-TEAM / NINTH GRADE

On The Job Training

This year's B-team football squad had a good season for learning as they prepared themselves for next year's varsity experiences. The team's overall record was 1-2-1 as they gathered many necessary skills. The coaching staff consisted of **Haywood Simmons** and **Iris Hill** . The coaches led the team through a 14-8 victory over Northside. The guys suffered a close defeat of 14-12 at the hands of Houston County. The team also had a tie game with cross town rivalry, Central, leaving them with anticipation for next year. Good luck in the future.

Young and Promising

The future looks very promising for the young members of the Southwest 9th grade football team. The squad had a final record of 1-2-1 with a blowout victory over Northeast by a score of 35-0. The team members also experienced a disappointing loss at the hands of Southeast with a heartbreaking score of 14-13. The team showed a noticable amount of improvement from the beginning day of practice to the conclusion of the season. **Coach Matthews** assured us of a promising future for the young men.

Determined Spirit

The Southwest 1992-93 softball team had a disappointing season as their true talents were never displayed by the final scores. The girls gave a tremendous effort throughout the year as they faced a rugged schedule. The team had some difficult losses at the hands of Northside and Southeast. The girls never lost their Patriot spirit and improved greatly through the season. The team was led by only a few seniors consisting of **Angie Lovsey, Shantelle Oliver, Laurie Smith, Tiffany Smith** and **Asa Grant.** The girls got on track early in the season by defeating Northeast by a score of 12-5 and once more during the season. **Ms. Trible** and **Mrs. Graham-Minton** should be congratulated for their constant efforts in working with the girls. The coaches look forward to next year with many returning stars surely to shine.

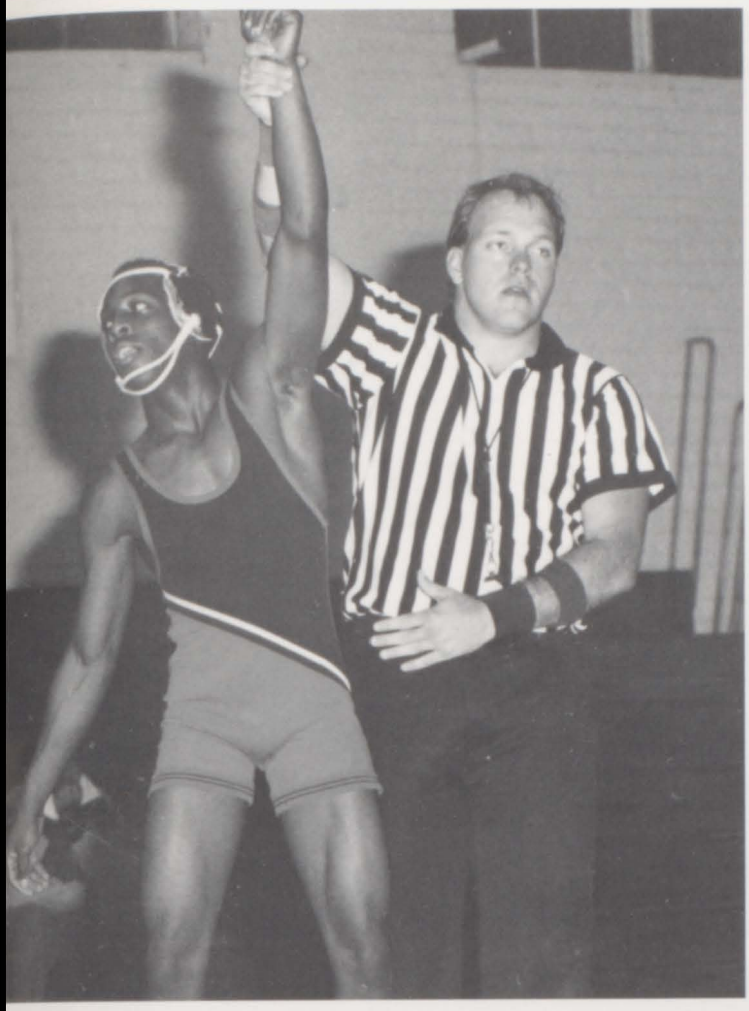

Southwest Dominates City-Tournament

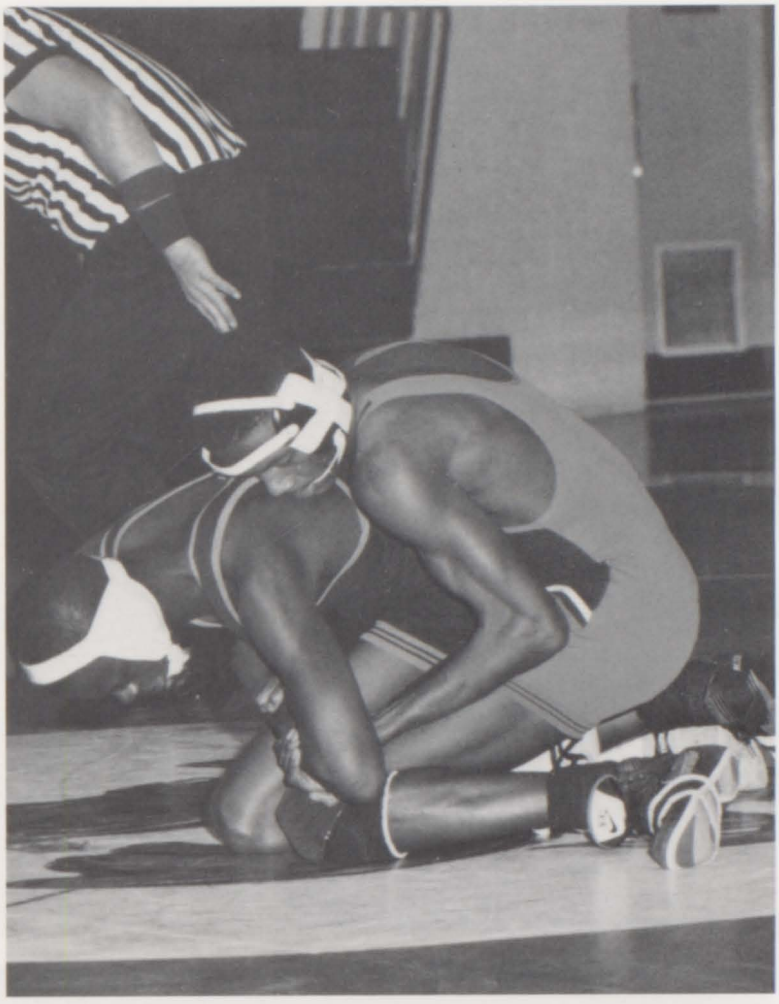

Blowing Central away with a 54-18 win, Southwest expressed their training received by Coach Richard Plagge in a successful match ending with a nine and one loss for Southwest. Northeast tried to pose a problem for the Patriots by leaving the match up to the last three opponents which brought Southwest out of the fire for 38-33 win. Facing Southeast with an exhausted team, Southwest showed their dominating ability again by a 51-21 win. The team spirit kept Southwest alive as the other schools dropped like flies at the Patriots feet. Ambition is the essence of winning as proved by the Southwest fight for the city championship.

TENNIS

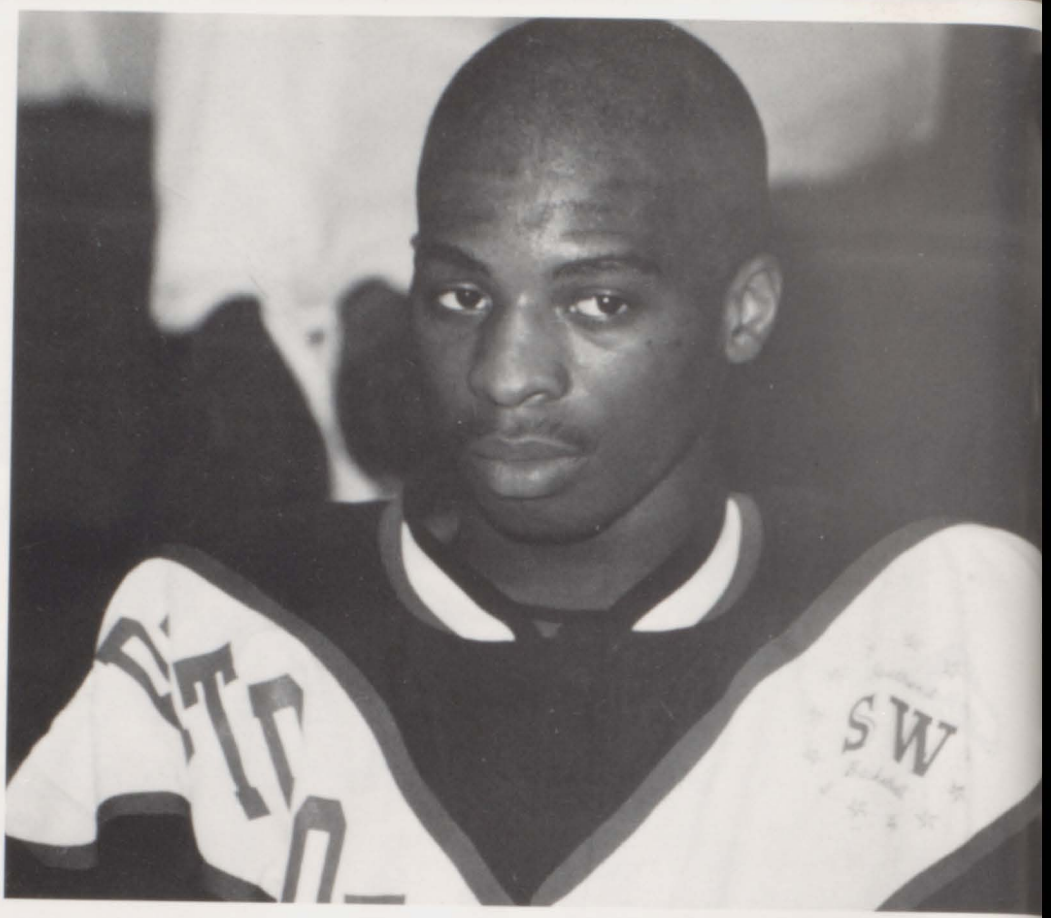

The 1992-1993 tennis team is anxiously awaiting for this year's season to get underway. **Coach Iris Hill** says she expects great things to come from these young players in the future. Coach Hill believes that although the boys and the girls team are very young they both have promising futures ahead of them in the sport of tennis. This year's team expects to improve even further on the record of last year. We wish Coach Hill and the team the best of luck in their upcoming season.

Once again the Southwest Boy's Basketball Team has proven themselves to be the best of the best. The team has completed their regular season with a great record of 18 wins and 5 loses. Some of the local teams who suffered the Patriots wrath were: Southeast, Warner Robins, Central, North Side, and Baldwin. The team anxiously awaits the regional tournament. Cheerleading

The Southwest cheerleading squads gave our Patriot crowds quite a performance this year as they continued a proud tradition of supporting that well known Patriot pride. The squads were directed by **Shiela Bell** and **Kristen Brewer** as they participated in many spirited activities. The team co-captains were **Andrea Anderson** and **Valerie Curtis**. Our cheerleaders presented an outstanding banquet in honor of our Senior football players before our homecoming game. Thanks alot for all of your spirit girls, we really appreciate everything.

Let's Play Ball

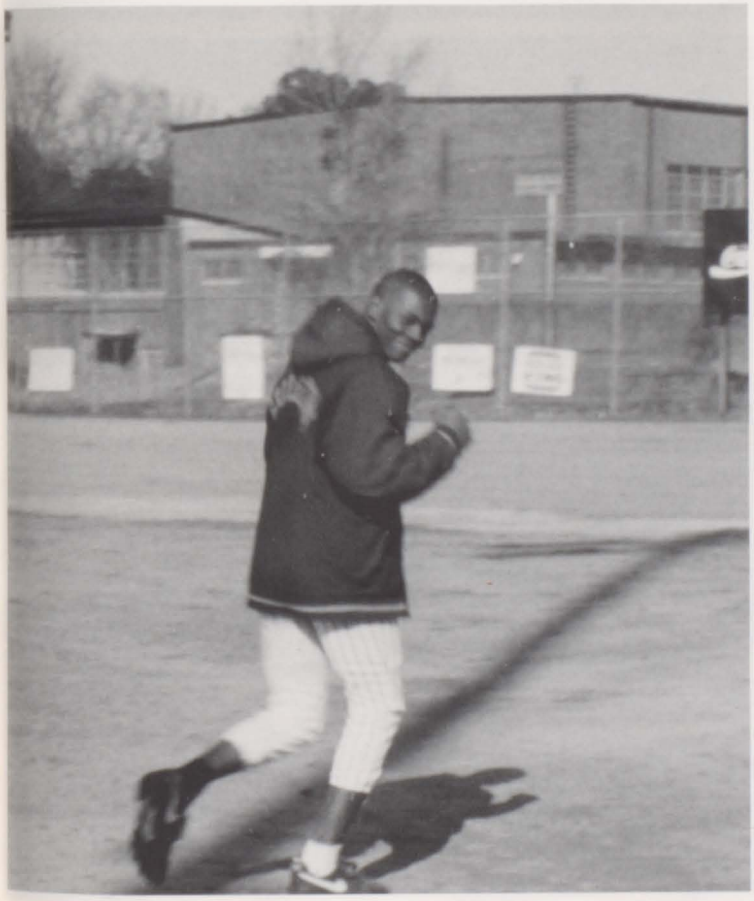

The 1992-1993 Southwest Baseball season promises to be one of the best years yet. The team members are very excited about a shot at the region title. The only thing capable of stopping them seems to be the always tough Warner Robins Demons. Coaches and players alike seem to believe it will come down to the Patriots and the Demons for the title. Coach Mathews and Coach Hatcher are doing a fine job of getting these young men ready for the upcoming weeks. Good luck to the Patriots!

Making A Joyful Noise

Noel! Noel! Sing Noel! The sounds of Christmas filled Mercer University's Newton Hall as the Southwest choral groups gave a grand performance. The director of the Southwest choir is **Jeanne Hoskyn**. There are three of these melodious groups: **Opus One**, the advanced, mixed choir; **Kyrie** , the girls' chorus; and the **Newest Edition**, or beginning choir. With over a hundred voices blending together, these Southwest songbirds made a "beautiful noise" for the people at the John Wesley Villas and St. Andew's neighborhood as they went Christmas caroling. The choirs also compete at the annual Music Festival.

And All That Jazz

If there's a special event around town, one group who is almost always present is the**Southwest Jazz Ensemble**. This band plays for Cherry Blossom Pageants, Golden Eagle Ceremonies, our Sweetheart Coronations , and many other civic events. Directed by **Oscar Jackson**, the ensemble rarely turns down a gig. In addition to these performances, the band plays for many of the county's elementary schools each spring. And, if the audience is lucky, Mr. Jackson accompanies the group in some of their numbers.

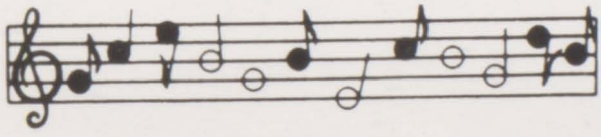

The Band: Baldwin, Quinton; Evans, Tydoreum; Fort, Alex; Gay, James; Hargrove, Jerry; Hicks, Keith; Latimore, Jerry; McCrary, James; Merritt, Brad; Morris, Darrlyn; Neville, Darnell; Ogden, Gregory; Reid, Lance; Robinson, James; Sandifer, Wendy; Spencer, Melvin; Stanley, Charles; Thompson, Earl; Weeks, Ronald; and Gilbert, Kim. We appreciate this fabulous group!

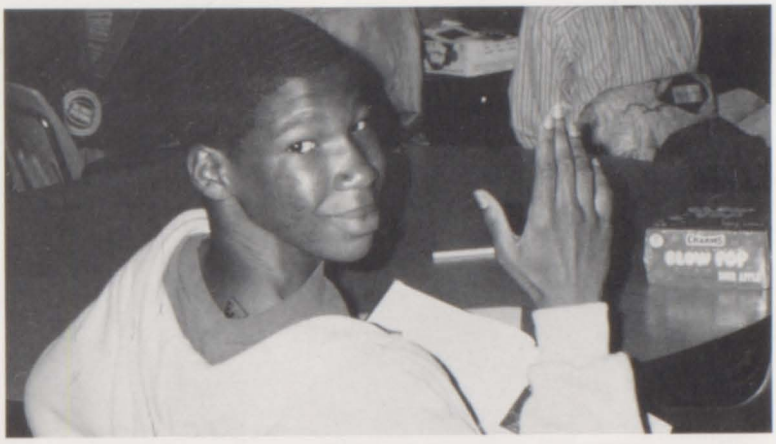

NOBODY DOES IT BETTER

BETA Club Convention comes each January and each year Sw's club brings home honors and awards. 1993 was no exception. In Group Talent, a medley of Religious music was performed by lead singers **Kim Gilbert**, **Bartyce Colbert,** and **Erica Collingsworth** who were backed by many others. They took a First place with their beautiful music. The Scrapbook was planned and kept all year by **Jennifer Adams and Jennifer Greek. It, too took a First Place. Jay Jump** and **LaShonda James**, also took a First with their incredibly artistic Banner. **Ginger Wilder** placed third in the Oratorical Contest and the Quiz Bowl Team placed fourth. These hardworking honor students serve SW and the community by sending tons of letters to lonely soldiers through the Military Mail Call. This has been an important BETA project for many years. The members prepare Easter baskets full of personal hygiene items for the Macon Rescue Mission and Christmas stockings of goodies for Children's Hospital. We appreciate the dedication of BE advisors, **Gwen Bell** and **Judy Moore** . Ms. Moore was ele by the State Convention to serve as State Sponsor Elect two year term, after which she will be a State Sponsor for years.We know she will serve the State organization with same devotion she has shown Southwest all these ye **Janann Wright** will be working with Ms. Bell next year.

SPANISH CLUB

LATIN CLUB

The Spanish Club, advised by **Diane Goodson**, offered peer tutoring for the students. The club planned to adopt an elementary school class and to visit nursing homes during the year. The main emphasis of this group is to create an interest in SPanish culture.

Latin Club exists solely for student enjoyment. The club, directed by **Robert Fightmaster** meets monthly for dinner and a movie. El Sombrero seems to be the group's favorite place, but they have been known to go to Pizza Hut or Village Pizza. It's a purely "for fun" group.

COMPUTER CLUB
SCIENCE CLUB
ACADEMIC TEAM

Milton Ivery's Computer Club stays busy making signs for every campus occasion. They decorate the doors of each classroom during American Education Week. Another important service of the club is to keep the cumulative record of all the basketball statistics.

If there is a young Einstein around , you can bet he/she is in the Science Club. **Richard Merchant** and the club have organized many recycling projects, working continuously to improve the environment and save our natural resources. The club also takes part in the Science Fairs.

Advised by **Jim Barfield**, the Academic Team represented SW in statewide competiotions, traveling from Brookwood to Fort Valley to Georgia Tech. They have appeared on WMAZ's Teen Challenge, and a variety of other competitions . This group represents us well as a symbol of academic excellence.

Y-Club

Peer Counselors

Have you ever wished you had a fairy godmother? The Y-Club filled that role for a special family in Macon. The members of the Y-Club purchased a Nintendo and several cartridges for a family on the Make-A-Wish List. They were also able to buy groceries for a Thanksgiving dinner for a family in need.

The Y-Club, advised by **Ida Jordan**, also provided snacks for teachers during American Education Week, sodas for the Marching Band and gave out Halloween candy to the Children's Ward of the Medical Center.

In addition to these community projects, the Y-Club helped decorate the school Christmas tree. This group is very active in keeping the school campus clean for visitors and for the students of Southwest.

The Y-Club participates in activities on the school campus but also aids in public services. The conscientious group has served the elderly by giving old magazines to the residents at local nursing homes.

You may never know this group exists unless you need help. Advised by **Gail Langley**, the Peer Counselors help incoming Freshman make a *Smooth Move* from middle school to high school. They are also available to discuss problems with troubled students who need a sympathetic "ear."

This hand-picked group of young people go to the middle school in the Spring to discuss high school life with upcoming freshmen. They show the new students around Southwest and also tutor the middle school students after school.

Pep Club

FCA

The guardian of school spirit at Southwest is the Pep Club, advised by **Mrs. Geraldine Dumas**.

Encouraging pride and excelling in the educational environment, the Pep Club annually sponsors the Central funeral, the Sweetheart Coronation, Fun Day at Six Flags, bus trips for students to key football and basketball games, and the All Sports Cookout, honoring atheletes and retiring coaches. The club also helps finance holiday tournaments for the basketball team.

A new group on campus, The Fellowship of Christian Atheletes was organized by **Coach John Mathews** to promote friendship among students. Some of the things the club has done was to take Christmas gifts to the Children's Hospital at the Medical Center. President **Charles Halligan**believes the club has had a positive impact on students and atheletes at SW.

Cosmetology Club

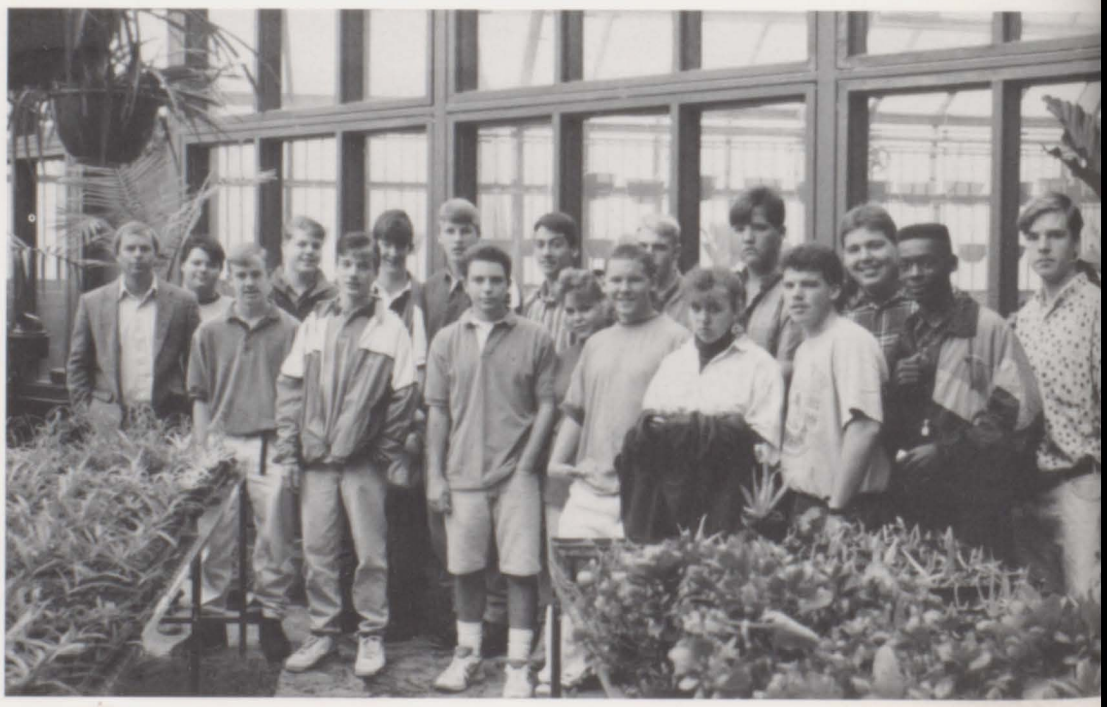

The Cosmetology Club got into the Christmas spirit this year by sponsoring a family for the holidays. They generously bought presents for an eight year old boy and a three month old boy. The Cosmetology Club also collected decorations for a family that could not afford a Christmas tree.

All year they collected canned goods for Project HOPE (Helping Other People Eat). The members also dedicated their time by collecting clothing for the Battered Women and Children's Unit of the Macon Rescue Mission.

Future Farmers of America

As part of their activities this year the Future Farmers of America (FFA) have planned to beautify the Southwest campus. Led by their advisor, **Eric Thompson** , the club planted new flowers and trees. Club members also took their hogs and other animals to the Georgia State Fair in October. They competed in several categories, bringing home several prizes.

TAP

Future Homemakers of America

TAP, under the guidance of their advisor, **Carline Leonard**, joined with many of the other clubs collecting canned goods for needy families. TAP participated in the Putnam County Relief project and many members served as ushers for local sorority AKA's fashion Show. One of the main goals of this group is building young women's character.

The FHA I club has kept its calendar full this year with fund raisers, faculty favors and valentines and fruit baskets for the nursing homes. They don't stop there, though. The FHA made a contribution of money and canned goods for the Putnam County Relief Fund. The club is advised by **Janie Wach.**

FHA II has had a busy year. They brought sunshine into the lives of many families as they prepared special goody boxes for Christmas. They added toys for Kids Yule Love and munchies for SW Faculty on Teacher Appreciation Day. Their advisor, **Veronica Calhoun** , works hard getting the group ready for the annual State Convention and Style Show.

Drama Club

Art Club

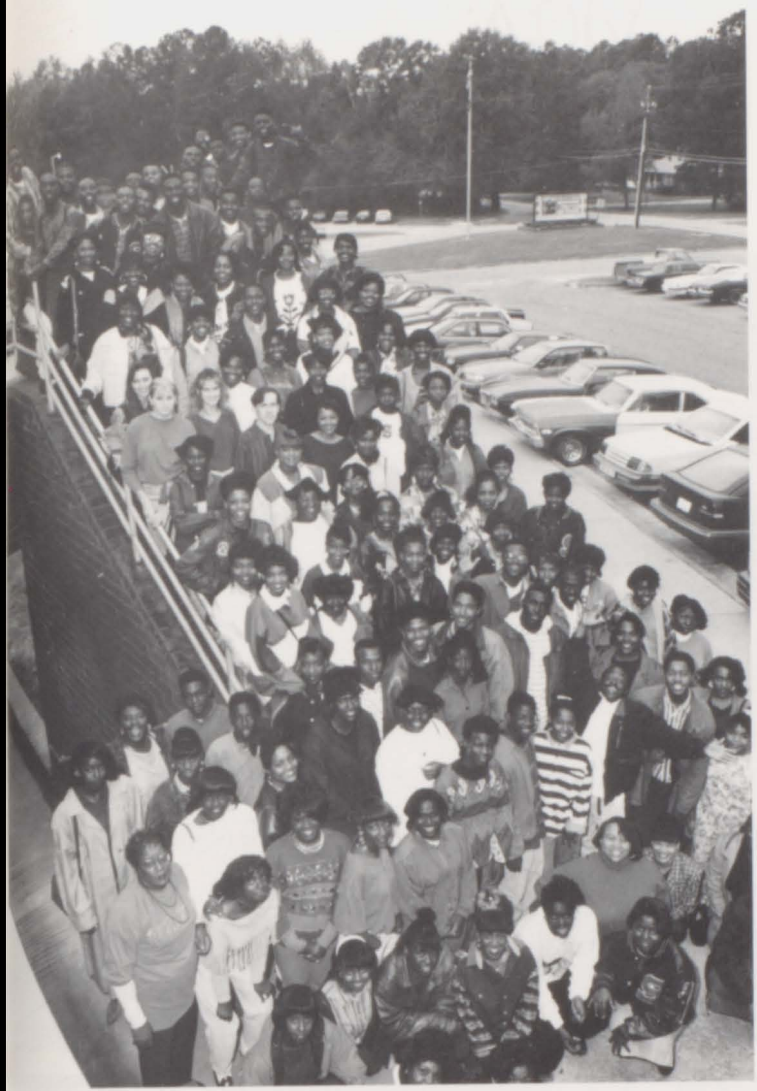

Drama, the art of acting has returned to Southwest. The Southwest Drama Club was re-established by **Dennis Swearingen**, who believes that the study of drama is very important in developing social character and self esteem.

The members of the Drama Club learn the importance of voice, speech, movement and dramatic technique. The goal for the drama club is to perform a contemporary piece in the late spring.

The SW Art Club advised by **Dannah Minton** and **Greg Cubit** provides an invaluble service to the elderly in our community. For Christmas, Valentines, and Easter the Art Club visits the Harrison Nursing Home, bringing treats and companionship. On March 18th the Womanless Beauty Contest was held to raise funds for the 10th annual Art and Photography show in May. Not only does the Art club commit itself to the betterment of our community, but also offers students not involved in art an opportunity to show off their talent.

FBLA

Patri — Article

The Business Leaders of tomorrow work hard today. The FBLA, advised by **Alma Redding** and **Ann Foster**, participated in many activities ranging from FBLA week to the Fall Leadership Conference. The club members also sponsored a fundraiser for the Putnam County Relief Effort after tornadoes devastated that area. FBLA participated in the Region V Conference in Jones County at the Jones County High School, returning to Southwest with many awards. Among those who placed in these competitions were **Chris Parkerson** first place in Computer Applications, **Tiffany Morris** second place in public speaking, **Lakeitha Gilbert** third place in Word Processing, **Shannon Fossett** third place in Miss CBE, and **Natasha Pope** fifth place in Impromptu Speaking.

SERVICE EDUCATION PROGRESS

FBLA

FUTURE BUSINESS LEADERS AMERICA

During the course of this school year, the Patri-Article, has produced four issues of the school newspaper. They sponsored a potato chip sale and are presently a member of the GAPA. With **Tangela King** and **LaShonda James** as the co-editors, the Patri-Article has had a very successful year under the supervision of **Mrs. Kalbfleisch**.

VICA

VOCA

VICA appropriately stands for Vocational Industrial Clubs of America. Each of these students excel in vocational technology. Under the guidance of **Ronald Taylor**, this group develops their leadership skills through different activities & social events. In return, they teach other students to develop responsible experiences. Vica members are very hard workers and have earned the respect of their peers.

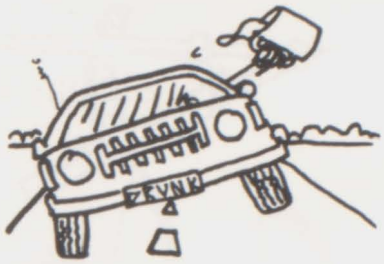

This year the VOCA Club attended the Officer Training Conference and also the Regional Contest. **Mr. Maston Bell** serves as sponsor of this club. Voca members went to Atlanta to the state capital, the CNN Building, Underground Atlanta and to Six Flags. The VOCA club has had a Christmas party at Shakey's and sold chips as a fundraiser. They were welcomed at the State Convention on St. Simon's Island. As always, these students' vocational training paid off in competition and in preparation for the future.

LEO

SADD

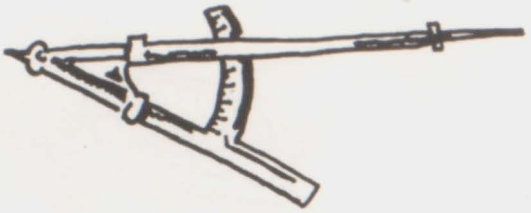

The Leo Club, directed by **Sue Kalbfleisch** ,held parties at the Georgia Academy for the Blind during the holidays. They served as volunteers at the Lions' Club pancake breakfast, collected used eye glasses and hearing aids for those who cannot afford them, and held a mop and broom sale to raise money. For all their hard work they received the Lions' Club Service Award.

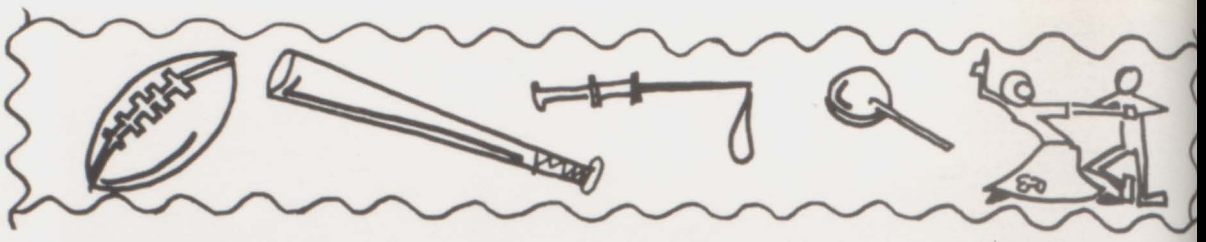

Did you know that alcohol is the single largest killer of young people, that 90% of high school students have tried alcohol and that 5% of high school seniors describe themselves as daily drinkers? Or that 8 million teens use alcohol **every** week and 4.5 million teenagers have a serious drinking problem? If these facts scare you it's no wonder. Alcohol is scary stuff, a downer which actually depresses the nervous system, causes slow reactions, and sometimes even unconsciousness. If you are driving while drinking, **you are a lethal weapon.** These are some of the things that SADD wants you to be aware of. The club works hard to get this message out, especially during the holidays and Prom night. The club is advised by **Elizabeth Carenen** and hopes to make a real difference at SW.

Mu Alpha Theta

Student Council

Mu Alpha Theta, the respected Math honors society, is directed by **Alice Dickey** and **Gwen Simmons**. They collected canned goods for needy families, provided gifts to the children at the Medical Center. The group donated funds for nursing home residents, and provided goodies at Valentines Day for teachers. Club members provided refreshments for teachers and staff during American Education Week and recognized Math teachers at Christmas.

Student Council is one of the most active groups at Southwest. These dedicated students were busy year round. During the school year they helped promote school spirit by making signs for the football games and arranging assemblies.

With the help of their advisor **Betty Stewart-Crossan**, Student Council sponsored events such as the MORP, the Blood Drive, and the "50's, 60's and 70's Dance." Thanks, Student Council, for a great year!

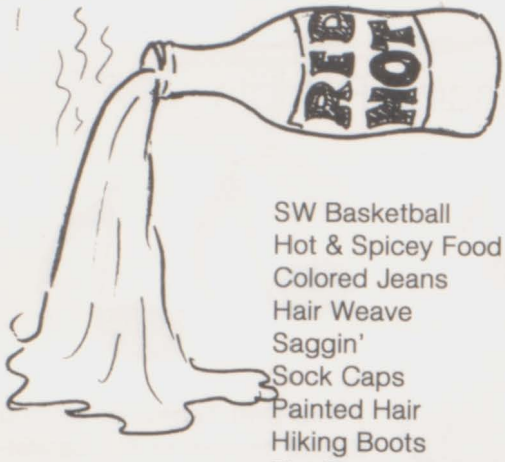

Dancing Patriots

The **Drill Team** has been a regular feature at SW basketball games for several years now. This lively group of dancers, directed by **Greg Cubit** , performs for assemblies and other school activities as well.

EDITORS'NOTE

It was 9:00 P.M. on February 24. We sat at our computers, typing furiously. "Ms. Phlip" stood behind them with a whip. "On Mandy! On Cande! Get through with it all!" We're all getting punchy by now. The deadline was Friday. There was still LOTS to do. It seemed as if everything that COULD go wrong DID go wrong. We had a disk drive go out and never come back. We had to retake the retake pictures. It was unbelievable! And all of this was after we pulled off the Miracle of Miracle Sales on December 11. In spite of many strange events, we had a great time putting it all together for you. Thanks, Patriots, for your terrific support!

High School — A Treasure Chest Of Memories

High School- the place where friendships are made, dreams are born, and our paths are chosen.

High School- the turning point in our lives — the place where we learn so much more than reading, writing, and arithmetic. We learn about life.

In our Freshman year, we all lean on each other, desperate to keep old friendships strong as swarms of Upperclassmen brush by us in the halls. We cling to each other for security and comfort. A year passes and we become confident Sophomores. No longer the new faces in the crowd, we are ready to take on the world, to branch off in new directions and find our own identities. We allow the new friendships to blossom and some of the old to slip away. Suddenly, we are Juniors, trying to make premature decisions about our futures. The insecurity we felt as Freshmen resurfaces as we face choices about our freedom, sexuality, and our responsibilities. Then all too quickly, like a lightning bolt, we are Seniors and our High School days are almost over! Only then do we begin to reflect on the years and wonder where the time has gone. Finally, bonded together as a class we filter through the memories, savoring the laughter, the tears, and the secrets shared.

As a Senior, I know I have been affected by my friendships — those kept and those lost — and by my choices — those positive and those not so positive. This awareness fills me with both happiness and sadness. Happiness comes from my sense of accomplishments, mastering the reading, writing and the arithmatic, and from my new found independence.
Sadness comes from the sense of loss of the friends that are no longer with us and from the reality that we as a class will never be this close again. Not only have we as classmates helped one another, but our teachers, counselors, and administrators have started ours fires, pushed us to our potential, and shown us the importance of our dreams. Our parents, who have stood in the shadows ready to catch us should we fall, have also guided us through the many stages throughout our lives.

It seems like just yesterday that we were nervous little Freshmen and now we are Seniors preparing to graduate and leave behind our childhood, and protection from the real world. As classmates and friends we have shared first boyfriends and girlfriends, first cars, and first ventures.

As we finish our year — the long walk to those big red doors that will close behind us one last time without the choruses of "see you next year" but instead with "take care and I'll miss you," we realize that High School is the best time of our lives and all the memories, good and bad, are memories worth treasuring.

It was just a short time ago that we began our Senior year. We worked so hard and waited what seemed forever to finally be seniors. Now, we are about to take that walk. We'll rush out the Interstate to the Coliseum. We'll hope we have everything — — cap, gown, stole. We'll line up the way we practiced that morning. We'll figit and talk nervously as we wait for Our Moment. Then we'll hear the music begin. Our supervisors check our caps one more time. The lines begin to move toward the entrance. The Junior Guides are there to tell us our row. We sit down. Ame and Andy make their addresses to the Class of '93. The list of names begin. We each take our turn as we cross the stage and receive our diplomas. As the music begins once more, we stand together. Some of us wipe our eyes as the reality of the moment sets in. This is the last time we will all be together. This is the moment the Class of '93 realizes that they have finally.... Put It All Together.

IT'S ALL TOGETHER!

This has been a strange year for the Spirit of '93. We had a new advisor, mostly new staff and a huge problem with our finances. As seems to be the case all over America, yearbook sales are down. We realized that if we were going to continue to produce a book at Southwest, we would have to make some drastic changes. We did this. As in any transistion year, some things have to be changed. We have tried to include as many faces and activities as possible within the range of our deadlines. It has not been easy and there will be some things which had to be omitted, such as Prom and Graduation, in order to get the book back in May. If we didn't give a group the many pages of coverage as it had in previous years, or if we left it out, PLEASE know this was not an intentional slight. We did the best we could within the time and budget limits.

We've tried very hard to make this EVERY Patriot's book. We tried to include as many different people as we could. Naturally, some faces appear more often than others. Involvement in school activities accounts for that. We tried not to keep staff members or students from classes for Yearbook business or pictures unless there was just no other way to get the job done. We appreciate all the patience and cooperation from the teachers, staff, and administrators, especially Social Studies, on the days we shot "mug shots" again and again!! We appreciate Mrs. Smith's help as we rearranged the lunchroom twice for Senior Pictures.(and will again, we hope.) To so many who went above and beyond the call of duty, we say THANKS.

Southeastern Portraits Inc. of Forest Park, Georgia received the bid to do individual portraits of Seniors, the student portraits, and many of the school events and special shots. Some of the photography was handled by Staff Photographer, Michael Hamlin and Advisor Virginia Phillips. All original artwork , including the color portrait of the Patriot in the Opening Section was drawn by Staff Art Editor, Scott Fleming.

Individual copies were sold at an advance price of $28 and for $30 after November 1, 1992. The 13 member staff raised $2100 in fundraisers, with the help of our friends.
